# SMITH & DeSHIELDS

SMITH & DeSHIELDS, Inc. is a family-owned business that has been serving builders, homeowners, and interior designers throughout Florida for over 53 years. We are pleased to be identified in the community as having one of the premier showrooms in South Florida. We opened our doors in Boca Raton, Florida in 1957, our Naples location opened in 1990 and our Jupiter showroom opened in 2002.

As a supplier of doors, millwork, hardware, and hollow metal products, SMITH & DeSHIELDS, Inc. is second to none. We maintain the largest in-stock selection of products in the state of Florida. We are pleased to present our 2010 In-Stock Moulding Catalog featuring over 450 profiles, medallions, and other architectural accents. This catalog was created as a valuable tool for all your upcoming projects. Every product in this catalog is in-stock and ready to be delivered to your jobsite. Custom and special order products are also available.

We would like to invite you to visit one of our three showrooms where you will find products to satisfy every taste. Our extensive molding, door and hardware displays will offer you the opportunity to see products first hand. We pride ourselves on introducing you to the most current selections and styles while maintaining displays of the long-standing products that have been popular for years. A walk through any of our showrooms will prove that your options are limitless.

We thank you, our customers, for your continued business, and look forward to serving you here at SMITH & DeSHIELDS, Inc. Feel free to come in and explore our state-of-the art showrooms. We also offer the convenience of viewing our innovative website @ [SMITHandDeSHIELDS.com](http://SMITHandDeSHIELDS.com).
